School Prayer

*Where the mind is without fear and the head
is held high*

Where knowledge is free

*Where the world has not been broken up into
fragments*

By narrow domestic walls

Where words come out from the depth of truth

*Where tireless striving stretches its arms
towards perfection*

*Where the clear stream of reason has not lost
its way*

Into the dreary desert sand of dead habit

Where the mind is led forward by thee

Into ever-widening thought and action

Into that heaven of freedom, my Father,

Let my country awake.

-Rabindranath Tagore

Our Father, who art in heaven,
hallowed be thy name;
thy kingdom come;
thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who
trespass against us.
And lead us not into temptation;
but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen.

PRAYER BEFORE CLASS:

O God, enlighten me to do my work in a manner most pleasing to you.

PRAYER AFTER CLASS:

O God, I thank you for all the necessary knowledge you have given me today, through my teachers and books.

We give you thanks, almighty God,

For all the benefits that you have showered upon us.

We thank you for our parents, teachers, friends, and for everything.

Forgive us dear God for all the wrong things that

We have done today.

This we ask for your love sake.

- Amen

Assessment & Evaluation

- ✓ At Vidyasagar Shishu Niketan, we believe that true education goes beyond examinations. Preface:

When we hold the candle to ignite our souls, hardly any place remains dark. Being a strong adherent of this notion, VSN is elated to introduce a new culture to make the path enlighten further by establishing School Clubs to the thesaurus of VSN.

School clubs will give birth to small communities, which will attract students relying on the same interests such as music, arts, ecology or literature. Club activities target to help the students develop a sense of unity and true ardor of teamwork.

The aims & objectives of the clubs:

The clubs will stimulate the impetus of the students to showcase the talent instilled and whatever else they learn in and outside the classrooms.

The participation in clubs can hone the students' communication skills & foster creative thinking. Clubs will propagate highly engaged teams determining sheer productivity. The elementary lessons of literature, art & craft, ecological equilibrium & performing art etc. will be enjoined to the students. Overall cognitive development is the key to unlock genuine growth.

To foster and harness various different talents of different students coming to VSN from multifarious backgrounds we have 4 clubs to provide the young learners' intellectual aspirations and self-expression. The clubs are:

***1. Literati Club: ***

The society organizes a rich and diverse array of literary activities such as debates, declamations, group discussions, poetry writing and recitation, short story writing, quiz contests, interactive/lecture sessions, etc.

***2. Green Warrior Club: ***

This Eco Club focuses on the burning environmental issues among students to create a clean and green consciousness & promote sound environmental behaviors through a number of activities which will assert environment beyond the syllabus

***3. Wizart Club: ***

Wiz art club simplifies the ELEMENTS OF ART: The visual components of color, form, line, shape, space, texture, and value describing a wide variety of activities.

***4. Aesthetica Club: ***

The club works on bringing out the hidden artist by introducing a minutely knit composition of dance, song & music.

Stop learning leads to ageing & we don't want to risk your youth. Our vitality will ever shine by transforming potential into achievement.

Let the fire remain burning, however little or hidden;

Let the revolution coming in with the new venture of VSN.

School Houses(Class V-XII)

"The Price of greatness is responsibility"

-Winston Churchill

Goals and Objectives of the Four Houses:

Life, it is said cannot be measured into units, but rather experience in its intensity and variety and it is the life of social luminaries which best exemplify this. Keeping this in view, VSN has decided to split the united mass of students into four-fold divisions i.e. Houses (RN.Tagore / APJ Abdul Kalam/JC Bose/ Kalpana Chawla), each with the name of four glorious figures from different walks of life, with the following aims and objectives:

- Promoting healthy sense of competitiveness and growth in realms of art, culture, sports and literary performances.
- Developing teamwork, sportsman spirit and leadership qualities among students
- Increasing technical coordination and spirited exchange of ideas, information and materials among house members and clubs.
- Translating ideas into tangible projects and enriching activities for metacognitive development of participants
- Strengthening the performative infrastructure of the school as well as its co-curricular ecosystem.
