Attention to Book Sellers: Like last year, this year also VSN will have 'OPEN BOOKLIST' for the session 2023-2024, so that the parents/guardians can procure books from any bookstore of their choice. Besides, for those parents who want to buy the Text books and Exercise copies (with school name printed on the top) from school campus only, we will have an arrangement of a book selling counter on the campus itself. Customized Text book covers & exercise copies must also be available. Interested Book Sellers may send in their application to the Principal, VSN, mentioning the rate of discount that they can offer to the parents who buy the books or exercise copies from the counter at school. All the required credentials must also be attached. The last date to receive such applications is 28 November 2022.
